COVID -19 VACCINATION DRIVE(2021-22)

Dear Parents,

Results from the COVID-19 In-School Vaccination Survey revealed a high interest from parent community in vaccinating their children.

In response to the high demand, we are happy to inform you that we are arranging a **Covid-19 Vaccination Drive** in partnership with ADEK, the Department of Health (DOH), Abu Dhabi Public Health Center and SEHA. The first round of vaccinations is planned for **5-9 December** to make use of the pre-winter break period, and will be followed by a second round of vaccinations in January after the break.

Below are our school's dedicated centers and timing.

For students ages 12+ only:

Date: 5 December 2021

Timing: 10:00 am - 06:00 pm

Drive-Thru Center: SEHA Drive-Through Screening Center - Al Wathba

Location: <https://goo.gl/maps/RC7Dttt3yfwtyzBV31>

For all students:

Date: 5-9 December 2021

Timing: 8:00 am - 8:00 pm

Vaccination Center: SEHA COVID-19 Vaccination Center – Mina Zayed Abu Dhabi

Location: <https://goo.gl/maps/Nfcjcx27LdAPfAA>

Kindly note that parents must directly identify themselves to the officials upon arrival and share their **school eSIS number (9054)**, to enjoy a quick vaccination process. **Parents should inform the team on site that they have students and are sent by ADEK for the vaccination drive.**

Important notes and requirements parents should be aware.

This vaccination campaign is dedicated to students taking their first or second dose. Booster doses are not included as they are not required for students below 18 years of age

Vaccines available:

Students ages 12+: Pfizer and Sinopharm

Students ages below 12: Sinopharm

The following documents are required to obtain the vaccination:

Student's original Emirates ID card

Consent form signed by the parent/guardian ([Pfizer](#) / [Sinopharm](#) forms)

Vaccination cannot be offered to students who have received any COVID-19 vaccines other than those mentioned above

Students who have been infected with Covid-19 previously cannot be vaccinated before 3 months from their last positive test result

Students who have taken the seasonal Flu (Influenza) vaccine must complete 14 days from their (Flu) vaccination date before getting the Covid-19 vaccine

Students showing any COVID-19 related symptoms, including fever or cough, cannot take the COVID-19 vaccine

NOTE –

1) Grade 1 Students who have received the school age vaccination from school recently have to complete 1 month from the vaccination date, before getting the Covid-19 vaccine.

2) All parents are requested to inform the respective class teachers after completing the Covid -19 vaccination for their wards.

Regards
