Dear Parents,

Greetings!!!

We are delighted to inform you about 9th annual exhibition “EXPO EFIA - 2020”, to be held on the virtual platform this academic year. Please note the following instructions regarding the same:

Grades 1 to 5:

- Students should take video of their project in Science and Mathematics with their presentation and upload it on homeroom class in the respective EXPO EFIA folder.
- If they are presenting more than one (ex: Math and Science) project, separate videos have to be made for each project.
- Students should be in uniform while presenting the project and the video should be shot in a brightly lit room, with clear background and proper audio quality.
- Time limit for presentation will be 1 minute only. Self-introduction not required. Videos of the participants. Meeting proper requirements will be uploaded on school you tube channel and few selected videos will be posted on school Facebook page.
- For projects in English, Language, Islamic studies and UAE SS’ students should take a picture of them with the project and upload on the allocated folders in the homeroom class. A video guiding the parents to upload picture and videos to the respective folders will be shared in class WhatsApp groups.
- Please name the video and images with the student name ,class and subject
- All the participants will receive participation certificate.

Grade 6 and above:

- ❖ Individual and group projects are allowed. Group members can be either from the same grade or mixed grades. In case of the group members being from different grades the group will be considered to be in the grade which is of the senior most student of the group.
- ❖ The students are required to make a video with the working and explanation of their projects.
- ❖ If any student is presenting more than one project, separate videos have to be made for each project.
- ❖ Students should be in uniform while presenting the project.
- ❖ The videos must be shot in a bright room with proper lighting and plain background.
- ❖ The videos must be made in landscape orientation.
- ❖ Duration of the video presentation is 2 minutes.
- ❖ Only the projects meeting the above mentioned criteria will be accepted.
- ❖ The videos of the projects should be sent to ccacompetitions@efiaschool.com with cc to the respective class teachers on or before 13th February 2021.
- ❖ E-certificate will be issued to all the participants.
