EFIA/CIR-020/2026-27

07/05/2026

Dear Parents,

Greetings!

As part of a national initiative, our school is actively implementing the **Frontliners Tribute Initiative**, which aims to help students understand, appreciate, and express gratitude towards the invaluable contributions of frontliners in our community. All students are required to participate this initiative as an individual or group activity as part of their regular school learning.

Students are expected to:

- Reflect on the role of frontliners
- Understand their challenges and contributions
- Express genuine gratitude through their work

**Details of the activities will be uploaded in the Google Classroom.** Teachers will guide students during school hours and provide feedback to help them improve their work before submission.

**Start date of the activities: 08/05/2026**

**Last date of submission of activities: 13/05/2026**

The school will select 20 outstanding work of students across the school to represent the school on a digital platform. This initiative is a valuable opportunity for students to develop empathy, responsibility, and respect for all members of society, reinforcing the values we uphold in the UAE.

We appreciate your continued support in making this initiative meaningful and impactful for every child.

Warm regards,

Saji Oommen  
Principal
