We are pleased to announce that Monday 16th of September will be celebrated as an ETHNIC DAY for the vibrant cultural diversity within our school community. Our school is a mosaic of cultures, traditions, and languages, and we believe that embracing this diversity strengthens our bond as a community.

On this occasion, students are invited to wear the traditional attire of their choice, please ensure that your clothing is modest and appropriate for the school environment.

We look forward to celebrating this special day with our students and embracing the cultural diversity within our school.

Regards,
