### **JOY OF GIVING – RAMADAN INITIATIVE**

Ref: EFIA/ CIR 79 /2025-2026

16/2/2026

Dear Parents,

As part of our school's value-based initiatives, we celebrate the **Joy of Giving** during the holy month of Ramadan, a time that inspires kindness, compassion, and generosity.

In this spirit, students are encouraged to contribute essential items to support those in need. The collected items will be shared with the Red Crescent and also with our school cleaning staff, spreading care and gratitude within and beyond our school community.

**Date of Collection: 23/02/2026**

#### **Items students can contribute:**

- Rice
- Sunflower oil
- Sugar
- Tea powder
- Pulses
- Wheat flour
- Milk powder
- Dry fruits and nuts
- Blankets

We request parents to support this initiative by sending any of the above items with their child on the mentioned date. Every contribution, big or small, will make a meaningful difference and help nurture empathy and social responsibility among our students.

Thank you for your continued support.

Warm regards,

  
**Saji Oommen**
