### World No Tobacco Day 2022

REF:EFIA/CIR - 12/2022-23

17-05-2022

Dear Parents

It is our pleasure to inform you that the Science Department of EFIA is organizing an awareness campaign amongst the students about the harmful effects of tobacco. The campaign will be held from 23rd May, 2022 to 27<sup>th</sup> May, 2022, in association with **World No Tobacco Day**. For spreading awareness, the Department is organizing various activities for the students of Grades 1-12.

**Theme of the day**-Protect the environment.

**Activities:**

**Grades 1-3:**Video presentation.

**Topic:** Awareness on Harmful effects of smoking.

**Grade 4&5:** Painting the mask. Bring white (preferably) or blue mask, Markers-black and red (1 each)

**Topic:** 'No smoking' sign.

**Grade 6 & 7:** Poster making. Bring A4 size paper(1 or 2) and required materials.

**Topic:** Smoking is injurious to health.

**Grade 8&9:** Cartoon creation

**Topic:** Protecting youth from tobacco use.

**Grade 10&12:** Street play

**Topic:** Tobacco-Threat to our life and environment.

**Note:** The activities for Grades 1-5 will be conducted during their activity/art &craft period of the week and for Grades 6-9 will be conducted during their Science period.
