

Emirates Future International Academy

EFIA/CIR-042/2017-18

16.10.2017

Dear Parent,

As per ADEK recommendation, Benchmark testing is important for checking students'

aptitude in the International level. Therefore our school is making participation in ACER

Benchmark test mandatory this academic year (**for grade 3 and above**). Students can opt for at

least one subject or all (refer the attachment). Please ensure that your ward's name is registered

before Wednesday (18/10/17) along with the exam fees. Parents who have registered earlier

kindly ignore.
