

# EMIRATES FUTURE INTERNATIONAL ACADEMY

## CIRCULAR TO ALL PARENTS

### Earth Day' 2025 "Our Power, Our Planet"

EFIA /CIR-8/2025-26

Date:20/04/2025

Dear Parents,

In celebration of Earth Day 2025, our school, Emirates Future International Academy is organizing a week-long initiative for the students from KG to Grade 8. The aim is to spread awareness about the environment and encourage students to follow good habits to protect our planet.

This year's theme is: "Our Power, Our Planet" – reminding us that we all share the responsibility to take care of the Earth.

As part of the celebrations, we have planned a variety of **diverse activities** throughout the week to help the students to understand and value nature. Class wise activity details uploaded in the respective google homeroom classroom.

These activities will serve as both a creative outlet and a meaningful reflection on environmental responsibilities.

We seek your kind cooperation in supporting your child's active participation in the following activities:

1. "Best Out of Waste" Project
2. Think- Act- Save Activity
3. Poster Making Activity
4. Zero-Waste Activity
5. Crown Making Activity
6. Badge Making Activity

Your involvement plays a key role in nurturing environmental responsibility among students. Let's work together to make a meaningful impact this Earth Day.

  
**Saji Oommen**
