CIRCULAR-CBSE SCIENCE CHALLENGE-2024

REF: EFIA/CIR-06/2024-25

22/04/2024

Dear Parent,

As an initiative to generate curiosity, enquiry and higher-order thinking amongst the learners, the Central Board of Secondary Education is organizing the CBSE Science Challenge 2024-25 for students studying in classes 8th to 10th. This competition is aimed at promoting and enhancing scientific temperament and innovation skills among students. Science is inexplicably linked with our lives and helps us to understand the world around us better. By engaging with this subject, students learn to think, solve problems and make informed decisions.

Information	Details
Eligibility	Students of classes 8th to 10th in CBSE-affiliated schools
Theme	Challenge in Science, Environment and Sustainability
Rounds	Two rounds – within-school and inter-school
Exam Format	MCQs
Participation Fee	Free
Certificates	Online participation certificate in Round-2

CBSE Science Challenge Details

The CBSE Science Competition would be conducted through two rounds – within the school, and inter-school. There is **no fee for participating students** in either of the two stages of this enrichment activity. The Science challenge paper would comprise a variety of stimulants followed by MCQs. The task for participating students would focus both on speed and accuracy. All the participants of Round Two would be issued an online participation certificate by the Board. Appreciation Certificates would be given to the best-performing students.

Stage	Eligibility
Round One (First stage)	All students of classes 8 to 10.
Round Two (Second stage)	The best 02 students from each participating class registered in Round One

TEST DATES:

FIRST ROUND: 25th April, 2024.

SECOND ROUND: Two selected students of each Grades will attend Round 2- between 29th April 2024 to 07th May, 2024.

NOTE: Previous year question paper will be uploaded in the Google Classroom.
