

**EFIA Sustainable Living Initiatives program**  
**Year of Family Logo Design Challenge**

Ref: EFIA/ CIR-33 / 2026

21/05/2026

Dear Parents, Students, and Staff Members,

Warm greetings from our school community.

As part of the UAE's celebration of the **Year of Family** and under our school's **EFIA Sustainable Living Initiatives Program**, we are delighted to announce a **Logo Design Competition** for all stakeholders of our school community.

The EFIA Sustainable Living Initiatives Program encourages our students and families to adopt values and practices that promote wellbeing, healthy living, environmental responsibility, and strong community connections. Since sustainable living begins with strong and connected families, this Year of Family initiative aims to celebrate the importance of togetherness, care, health, and shared responsibility within our community.

Through this competition, we invite students, parents, teachers, and all stakeholders to creatively design a logo that symbolizes:

- Family unity and bonding
- Healthy and active lifestyles
- Sustainable living practices
- Community wellbeing
- UAE values and identity
- Love, care, and togetherness

The selected logo will become the official emblem representing our school's Year of Family and EFIA Sustainable Living initiatives. It will be featured in school circulars, presentations, campaigns, displays, newsletters, and activities conducted throughout the academic year.

**Guidelines for Participation:**

- The competition is open to students, parents, teachers, and all stakeholders.
- Entries may be hand-drawn or digitally designed.

- The logo should be original, creative, meaningful, and visually appealing.( AI tools should not be used).
- Participants may include a short explanation (2–3 lines) describing the concept behind the logo.
- Only one entry per participant will be accepted.
- The best and most creative logo will be selected by the school committee.
- The winning entry will receive special recognition, cash reward and appreciation.

**Submission Details:**

- Last Date for Submission: Tuesday, 2 June, 2026
- Submission Format: Digital Copy
- Link for submission : <https://forms.gle/SrPQ28iuAoD5vHNj6>

**(Please upload your work through this submission link)**

We encourage every member of our school community to participate enthusiastically and contribute towards creating a meaningful symbol that reflects our collective vision for healthy families, sustainable living, and a thriving future.

Warm regards,

**Saji Oommen**  
**Principal**
