Dear Parents,

As you are already aware, our school has launched and is in the process of implementing the ‘National Identity’ program - ‘My Identity’ (initiated by ADEK) – to reinforce the values , culture and tradition of the UAE in our students. As part of the implementation program the following six themes will be incorporated in the Scholastic and Co-Scholastic areas, through daily lessons , Grade wise assembly and school activities and through ‘My Identity day’ which will be observed every Thursday.

National Identity Framework

'MY IDENTITY THEMES'

VALUE	LANGUAGE	CULTURE	COMMUNITY	CITIZENSHIP	HISTORY
					

A brief description of each theme is given below:

1. **VALUE:**

This theme is to make the students aware about Islam, Islamic values and how they influence life in the United Arab Emirates.

2. **LANGUAGE:**

Through this theme, the students will learn to appreciate Arabic language, understand its importance locally and globally and develop our communicative skills in Arabic.

3. **CULTURE:**

This theme will help the students gain an appreciation for the past and present of Emirati culture.

4. **COMMUNITY:**

This theme is relevant because it teaches the students to preserve the uniformity of the community and promote loyalty and belonging.

5. **CITIZENSHIP:**

Citizenship will build an appreciation for being a global citizen.

6. **HISTORY:**

Through this theme, the students can understand the rich and vibrant history of UAE, and how the history of this country interacts with the history of the region.

As a tribute to **H. H. Sheikh Zayed Bin Sultan Al Nahyan**, 2018 has been declared as the '**The year of Zayed**', to mark 100 years since the birth of the founding father of the UAE. This year will not only be about remembering all that H.H. Sheikh Zayed did to form the UAE of today, but it will also be about instilling his values across the community.
