PLANETARIUM EXPERIENCE – COSMIC DOME

EFIA/CIR-09/2025-26

23/04/2025

Dear Parents,

In celebration of *National Space Day*, observed on the first Friday of May each year, the **Science Department of EFIA** is pleased to organize a “**Planetarium Experience**” in collaboration with **COSMIC DOME**. This initiative aims to provide a valuable and enriching experience for students from **Grades 1 to 8**.

Details of the Planetarium Experience

Dates: 5th May to 13th May 2025

Venue : School Main Auditorium

Duration of Each Show: 40 minutes

Cost: AED 25 per student

The COSMIC DOME features an advanced 360° immersive projection system, offering full-dome shows on a variety of engaging topics. The experience promises to be both educational and entertaining. Students are requested to pay the participation fee to their **Class Teacher by 28th April 2025**.

13/05/2025	2 shows for Gr 6 4 shows for Gr 7 3 shows for Gr 8

We believe that nurturing curiosity is the first step toward innovation and discovery. The COSMIC DOME Planetarium Experience is not just a show—it is a gateway to the wonders of the universe. Through this immersive journey, students will explore the mysteries of space, ignite their imagination, and develop a deeper appreciation for science and astronomy. We encourage every student to take part in this unique opportunity and be inspired to look beyond the skies—because today’s curiosity builds tomorrow’s scientists, astronauts, and explorers.

Let the cosmos spark your curiosity!
