Date:24/04/2025

Dear Parents,

We are pleased to inform you that Emirates Future International Academy is organizing a week-long initiative for the students from KG to Grade 12. The aim is to promote cultural awareness, learn the importance of embracing diversity and respect among students and staff.

As part of the celebrations, we have planned various activities throughout the week to help the students to provide them with an opportunity to explore and appreciate the history and traditions of UAE. Class wise activity details are uploaded in the respective Google homeroom classroom.

We seek your kind cooperation in supporting your child's active participation in the following activities:

1. Traditional Emirati dress day
2. UAE Vision 2031 & Sustainability
3. My Identity Activity Day

Your involvement plays a key role in nurturing environmental responsibility among students. Let's work together to make a meaningful impact of Heritage week.
