Date: 27/04/2026

Dear Parents,

Greetings.....

As we commenced on a new academic year, Our school clinic setting up for the **Annual Health Screening ( internal )** for the students from **KG 1 to Grade 12**. This annual screening includes assessments of **Height, Weight, BMI, Vision Test and vital signs** etc. Which will be conducting during school hours. The results will communicated to the parents through student portal. This ensures timely follow-up and appropriate care.

Our goal is to ensure the well-being of every student and promptly address any health concerns.

Your cooperation is essential for a smooth screening process.
