Introducing "Rayah"- ADEK Parent Digital Platform

Dear Parent,

We are pleased to introduce the Department of Education and Knowledge, Abu Dhabi's app "Rayah".

Rayah is an app designed to keep parents informed and engaged in their child's educational journey. This app will be your trusted resource for all school-related information, providing clear insights and updates and is designed to:

- Strengthen parent involvement in their children's education
- Provide insights and tools to empower parents with the knowledge and access to support their children's social, emotional, and academic development

App Features:

- **Attendance:** monitor their children's attendance and provide guidance to address absenteeism effectively.
- **Benchmark Assessments & Academic Reports:** track and compare their children's academic progress and performance against peers over time.
- **Parenting Support:** Offers valuable resources to support their children's educational journey.
- **Activities & Special Offers:** Provides access to exclusive discounts and a range of educational and fun activities, encouraging family engagement

Parents are encouraged to download the app, Rayah !
