WORLD ENVIRONMENT DAY 2022

EFIA/CIR-16/2022-23

Date: 31/05/2022

Dear Parents

World Environment Day is an awareness programme observed worldwide every year on 5th of June for nurturing the nature and keeping the environment clean. The **Science Department of EFIA** is organizing various activities for Grades 1-12 on **3rd June, 2022** to spread the awareness of the **theme "Only One Earth"**.

Activities:

Grade 1-3: Potted plants arrangement on the Corridor

Grade 4-5: Reuse plastic in a creative way

Grade 6: Making cups and plates using small carton box (mineral water box, shoe box etc...)

Grade 7: Tableau -Save the Environment

Grade 8-9: Model Making- Natural Habitat

Grade 10: Model Making- Green Earth(made out of waste materials.)

Grade 11-12: Installing Hydroponics

Note: **03rd June 2022 will be observed as Non-Plastic Day.** Grade 1-3 students should bring the potted plants on 2nd June. The activities for grades 1-5 will be conducted during their activity period of the week and for Grades 6-12 during their Club Period. All the students can wear **green colour dress** on 03rd June 2022. If green dress is not available, students should come in school uniform. Required materials should be brought on the day of activity.
