4. CALENDAR PLANNING AND SUBMISSION

- EFIA prepares its **academic calendar** based on ADEK's prescribed framework while aligning with **CBSE's examination schedule**.
- The calendar includes start and end dates, teaching days, holidays, and examination periods.
- Once approved by ADEK, the finalized calendar is shared with parents, students, and staff via **official communication channels** (school website, circulars, and portal).

5. PUBLIC AND SCHOOL HOLIDAYS

EFIA follows all **official UAE public holidays** as announced by ADEK and the UAE Government.

In addition, as a **CBSE school serving a multicultural Indian community**, EFIA also observes **Indian cultural and Festive holidays** recognized by the management.

Category	Examples	Remarks
UAE National Holidays	National Day, Commemoration Day, UAE Flag Day	As per ADEK calendar
Islamic Holidays	Eid Al Fitr, Eid Al Adha, Islamic New Year, Prophet's Birthday	Subject to moon sighting
Indian Cultural Holidays	Onam, Diwali, Good Friday	Declared by school management annually and approved by ADEK
Other Breaks	Summer ,Winter and Spring Breaks	In line with ADEK and CBSE schedules

- *Public holidays are tentative and may change based on official government announcements.*
- *If a holiday coincides with an external or CBSE examination, EFIA may seek prior approval from ADEK to operate on that day.*

6. COMMUNICATION AND UPDATES

- The **final approved calendar** is published on the EFIA website and shared with parents via circulars.
- Any mid-year updates due to government announcements or exam adjustments are communicated promptly.
- Staffs follow the approved calendar to plan leave accordingly

7. COMPLIANCE

- The total number of instructional days meets **ADEK's minimum teaching requirements (182 days)**.
- All adjustments or changes to the calendar are resubmitted for **ADEK approval**.
- Non-compliance may result in administrative review or ADEK intervention.

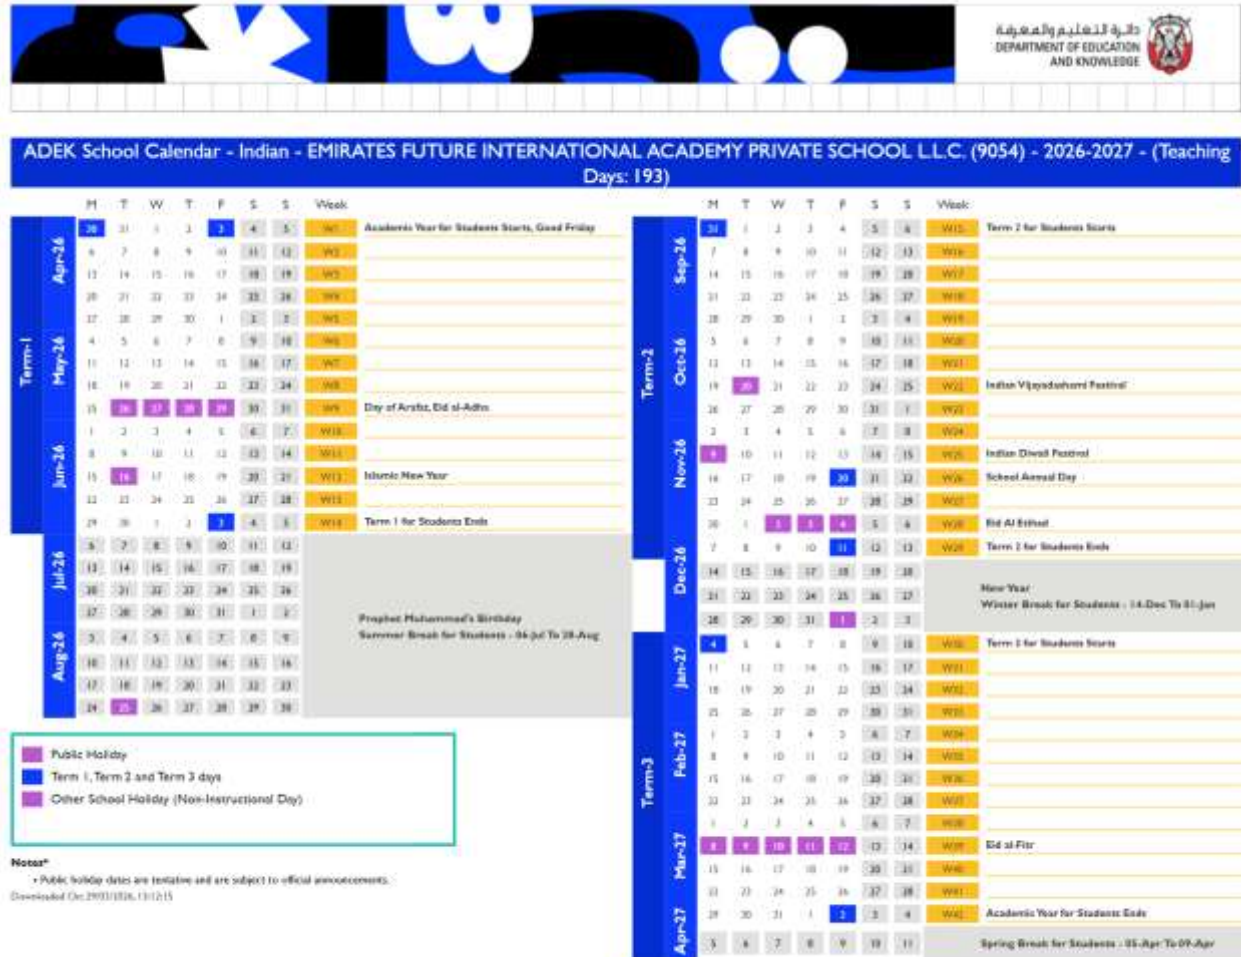

8. POLICY REVIEW & APPROVAL

This policy is reviewed annually by the **Principal** to ensure continuous alignment with ADEK regulations, CBSE requirements, and EFIA's operational needs.
