Dear parents,
Greetings!

We are pleased to inform you that as per the instruction from ADEK our school is participating in the ACER assessments 2020. The Assessments under this program are designed and conducted by the Australian Council of Educational Research (ACER), a leading research organization that provides a number of assessment services across the world.

Features and benefits for the students and parents:

- Comprehensive assessment of student performance and ability.
- High quality test items that are challenging and engaging across all ability levels.
- Reports that include clear descriptions of skills and concepts been mastered.
- Reports that highlights strengths and weaknesses in different skill areas and can be used as remedial intervention to improve learning.
- A scale score to monitor growth and track progress over time.
- School, Regional and International percentiles to compare and benchmark student performance.
- Provide students with clear descriptions of the next level of achievement that they need to strive towards and help them set clear goals for themselves.
- Recognize and celebrate student achievement with Individual Student Certificates and awards for top students.
