CIRCULAR

WORLD NO TOBACCO DAY 2023

REF: EFIA/CIR -14/2023-24

28-05-2023

Dear Parents

UAE announced 2023 as 'Year of Sustainability' with the theme 'Today for Tomorrow'. It is our pleasure to inform you that the Science Department of EFIA is organizing an awareness campaign amongst the students about the harmful effects of tobacco. The campaign will be held on 31st May, 2023 in association with **World No Tobacco Day**. The theme of World No Tobacco Day 2023 is "**We need food, not Tobacco**" to raise awareness about alternative crop production and marketing opportunities for tobacco farmers and encourage them to **grow sustainable, nutritious crops**.

For spreading the awareness, students of Grade 11& 12 will perform a rally followed by street play on 31st May,2023.

Tobacco has not brought any happiness to anyone but it certainly has taken many lives. Together we take an oath to quit tobacco.

SAJI OOMMEN
