### IMPLEMENTATION OF 'TABBIE MATH' EDUCATIONAL PLATFORM

REF: EFIA/CIR-123/2020-21

30.11.2020

Dear parents,

We are glad to inform you that we have registered with '**Tabbie Math**', an educational online platform, which provides extensive practice and assessment materials for students of grades IV to XII. This software contains sample questions from CBSE and other curriculums. Another initiative from EFIA which will provide our students with the additional support in Mathematics which will help them in overcoming their Math phobia and motivate their interest and enhance their skills in the subject.

The respective teachers will be compiling the worksheets and assignments for each topic and posting it in the students' portal on Tabbie Math. Students will be provided with regular skill based practice in the different topics taught at school. Students have to register with Tabbie Math portal, login credentials will be shared through school portal and Google homeroom class. Parents can contact the respective class teacher or Math teacher for further clarifications.

Requesting parents to encourage your wards to take up the daily practice sessions provided through '**Tabbie Math**' and to make use of this opportunity which is provided by the school absolutely free of cost for this year .

Regards,

**SAJI OOMMEN**
