MATH MAGAZINE

Dear students,

The Math department in EFIA is going to release our second Math Magazine **π -irrational vol.2** for the year 2018-19. So this is to inform you to contribute for the same by choosing any of the following topics.

Grade 1 to 5

Any topic related to mathematics.

Grade 6 to 10

1. Fun with math
2. Math is everywhere
3. What is new in math
4. Beauty of math
5. Math tech(technology in math)

Grade 11 & 12

1. Fun with math
2. Math is everywhere
3. What is new in math
4. Beauty of math
5. Math tech(technology in math)
6. Research experience(eg: Interview with any math professor)
7. Careers in advanced math

Please note that your contribution of soft copies should follow the below format.

Heading: Times new roman -14

Content: Times new roman -12

Border: Thin single line.

There will be a cover page competition for the magazine. You are invited to give your ideas as soft copies.

All your entries can be mailed to mathclubefia@gmail.com on or before 09-09-18.

Note: Also you are requested to work on Math projects/models to be displayed during EXPO EFIA 2018-19.
