

EMIRATES FUTURE INTERNATIONAL ACADEMY
CIRCULAR - NATIONAL ASTRONOMY CHALLENGE

REF: EFIA/CIR-107/2020-21

24/09/2020

Greetings!

Dear Parents

We are pleased to inform you about the launch of the biggest astronomy & space science challenge in UAE. It is an opportunity for the students to educate, prepare and compete for the most prestigious and focused astronomy & space Olympiad. Students from grade IV to IX are welcome to apply through school .Each student participating in NAC, will have an access to the content/structure curriculum for the preparation through NAC platform and one self-paced DIY workshop, designed & developed by STEM & Space.

Registration fee:

USD 8 (AED 30/- approx.) per participant.

Registration link:

<https://www.townscript.com/e/nac-emirates-future-international-academy-abu-dhabi-214033>

Although the registration closes by 20th November, 2020, we are requesting you to complete the process on or before 20th October, 2020 so that students can utilize much of their time in preparing for the test and attending workshops. Registered candidates shall give their names to their respective Class Teacher.

For further details, visit at www.nationalastronomy.org and find the enclosed posters.

Regards,

SAJI OOMMEN
