BRING YOUR OWN DEVICE (BYOD) - ACCEPTABLE USE POLICY (AUP)

OVERVIEW

The Bring Your Own Device (BYOD) program involves allowing students to bring their own 'mobile devices' to school to support learning activities. In an effort to support student-centered learning in our 21st-century classrooms and to let students take more control of their own learning, the school allows students to use certain mobile devices in the school.

Students and parents wishing to participate in the BYOD program must accept the responsibilities stated in the BYOD Acceptable Use Policy (AUP) as outlined below, and must read, sign, and return this form.

For the purpose of this program, a 'mobile device' refers to a student-owned device such as a Laptop, iPad or other tablet. Mobile phones and gaming devices are not allowed under the BYOD program.

BYOD Acceptable Use Policy (AUP) Summary:

1. Any student who wishes to use a personally owned mobile device within school must read and sign this AUP.

9. Mobile devices must be charged prior to bringing them to school so as to be usable during school hours. Charging devices in the school is not an option.
