

The objective of this policy is to understand and analyse the protocols which should be followed by each student for using the prayer room.

We follows:

1. Avoid shaking hands or touching by giving salutations from a distance.
2. Avoid touching door handles or exposed surface as possible.
3. Sterilize and wash hands before and after performing prayers.
4. With a maximum of 30% capacity, adhere to social distancing guidelines and wear masks.
5. Do not come to mosque or place of worship if you show any signs and symptoms of covid 19 infection, instead seek medical attention.
6. Do not hold gatherings before or after prayer and immediately leave the mosque or the place of worship on completion of prayers.
7. Staff and students must bring their own prayer mats and they should observe a safe distance of at least 1.5 meters at all times.
8. Staff/Student should wear mask while enter into the prayer room.
