SCIENCE INDIA FORUM UAE (SIF UAE)

Science India Forum UAE (SIF UAE) is a voluntary organization formed & supported by professionals in the fields of Science and Technology, Education, and a few philanthropists and prominent members of the business community in the UAE. SIF UAE is supported on its educational front by the National Science Movement of India (popularly known as Vijnana Bharati) and the Indian Space Research Organization (ISRO). All the events and programs of SIF UAE are conducted in association with the Embassy of India, Abu Dhabi.

From a humble beginning in the year 2006, Science India Forum – U.A.E. has crossed several milestones and today

Sastra Pratibha Contest has become an integral part of the school calendar in the Indian schools across U.A.E. The activities of SIF UAE today span over the entire academic calendar with the famed Sastra Prathibha Contest being written by over 35740 students from 72 schools in the UAE. The annual Science India Gala has seen numerous luminaries in the field Science & Technology

It is also a matter of great pride that SIF UAE has been authorized by the National Council for Science and Technology (NCSTC), India and Department of Science and Technology (DST), India to screen and select the students from UAE to participate in the National Children's Science Congress (NCSC).
