CIRCULAR TO ALL PARENTS

26/3/2020

Dear Parents,

Kindly be informed that due to the prevailing COVID-19 pandemic, as instructed by Abu Dhabi government and ADEK the school will remain closed from 26th March to 4th April 2020. Office will reopen from 5th April 2020.

- 1. E- LEARNING:** We have started the e-learning classes for Grades 10 & 12. If the regular classes are not starting on April 13th, we will start the e-learning classes for all grades from 13th April 2020. The details will be updated to you by the class teachers through the school portal and website. During this closure time all lines of communication between you and school will remain open. Some of the channels of communication will include school's e-learning platform, portal, emails, and phone calls. The school Principal and teachers will be able to be contacted at specific times during the closure to answer your queries and provide support. Students should follow the school's proposed daily e-learning schedule with time allocations. It is important that students attend all scheduled virtual classes and complete & submit all learning assignments that teachers have prepared for distance learning. Students' attendance will be taken daily. Students should be aware of the processes for seeking help from teachers or requesting feedback using the school's official communication platform. The feedback provided to students from teachers is an important learning opportunity and must be ongoing. All students have a responsibility to meet all deadlines for the submission of their work and remain updated on developments and changes to their distance-learning program.
 - 2. ORIENTATION PROGRAMME** for parents and distribution of books and uniform, which were earlier scheduled on 28th March 2020, has been postponed until further notice.
