Dear parent,

Kindly note the instructions from ADEK and guidelines for parents, in the policy attached, regarding the re-opening of schools after Summer vacation.

The school has received guidelines and criteria from ADEK for physical schooling, based on which the school has selected **ALTERNATING DAY MODEL**, considering the analysis of our physical capacity and social distancing requirements.

Students of Grade 9 to 12 will continue will physical schooling on all days.

Detailed schedule of re-opening will be informed through the school website, school portal, Google classroom and email on or before 15th August 2020.

Kindly note that the information provided here are subject to change at any time based in the directives from ADEK.

A form will be sent regarding details for school bus users. All parents who plan to avail school bus facility for their ward are requested to submit the form attached to the respective class teacher on or before 27th July 2020. Kindly go through the transport policies carefully.
