Dear Parents, Students and Staff,

It was a joy to see so many smiling faces. It is an honor to welcome our families and students back for the 2022- 2023 school year!

It is my pleasure to welcome you to Emirates Private School – Abu Dhabi for the 2022-2023 Academic Year.

Beloved Parents, I know that your child's education is of the utmost importance to you, and I thank you for partnering with Emirates Private School – Abu Dhabi (EPS-AUH). In EPS, we are committed to preparing each and every student that walks through our doors for successful futures!

I hope to build on our past successes to continue to improve student achievement and to develop a positive learning environment. our School is here to serve the educational needs of the community.

We believe that open and clear communication between school and home is

important to the success of our educational programs. You, dear parents/guardians and members of the community, are our partners in the important job of educating the students of our community. We always welcome your participation and support because working together, we will reach our collective and individual goals to celebrate the achievements of our beloved students.

EPS -AUH takes every step to ensure that we are making the most of each student's potential. Working together with administrators, teachers, and staff with a passion for education, we can accomplish limitless success for every student.

Again, Welcome Back!

MRS. AMINA AL OTAIBA
School Principal

VISION – MISSION STATEMENTS OF THE SCHOOL

VISION

The school adapts a complete futuristic program aiming to broaden students' skills, preparing them for certificates of University of Cambridge, Edexcel, American AdvancED -COGNIA and Ministry of Education, UAE. These programs envisage personality development and produce promising graduates who would serve their country and be ready to face the global challenges, to the best of their abilities. We are devoted to enhance the students' ability in Arabic, Islamic and Social Studies to nurture National Identity.

MISSION

EPS plans, implements, monitors and supervises education programs that lead to a successful educational system bringing together all stakeholders including students, schools and parents to create a harmonious system in consistence with the highest levels of an educational performance.
