C) Distance Learning:

A full time (100%) online learning option will continue for families who request it from Sunday 13/09/2020 and the rest will be either on campus or blended depending on grade and your choice. Online will also be available for students with significant health concerns or conditions, those with suspected COVID-19 symptoms or children in isolation or quarantine.

Please be aware that once your child is registered for online learning you are able to return to in-school, face-to-face learning as you wish, but you always must give the school **1 week** in advance if you wish to change (according to availability). Covid-19 test is required for students return to face-to-face learning if they are 12 years old and above.

We will use the **School Portal (Providence English Private School App)** for all Grades to submit the weekly diary, Accepted Pages for formative and summative assessments, Results, Feedback Reports, Monthly Reports, Term Reports, two way communications between parents and teachers/administration, etc ...

We will use **Seesaw Learning Platform** for students from KG1- Grade 5 to submit their work and increase individual interaction of teacher and student. We will update you on week two on the procedure of Download / username & Password.

We will use **Zoom Learning Platform** for online sessions. (make sure your Zoom accounts are upgraded to latest version).

D) Parent Meetings:

Meetings with parents, by appointment only, will take place online via Zoom platform.

Only critical meetings, made by prior appointment, will be held in school. (NO walk in allowed without any approved appointment) email admin@peps.ae for appointment.

Any visitor attending school for a pre-booked meeting or appointment will enter the school via Main Administration in Building 1, and must be wearing mask, temperature check and information registration. Social distancing rules will apply, and masks will be worn at all times.
