

PEPS Achieves Prestigious CIS Accreditation

Dear PEPS Community,

I hope this letter finds you in good health and high spirits. It is with immense pride and joy that I write to you today to share a momentous achievement in the journey of Providence English Private School (PEPS). We have officially been accredited by the Council of International Schools (CIS), marking a significant milestone not just for our school but also for the educational landscape in Sharjah. This accreditation makes PEPS the first school in Sharjah to be recognized by CIS, affirming our commitment to providing a world-class education and nurturing environment for our students.

The CIS accreditation is a testament to the quality and dedication that defines PEPS. It acknowledges our commitment to continuous improvement, international mindedness, and a student-centered approach to learning. Achieving this status was not an overnight success but the result of years of hard work, dedication, and a shared vision of excellence from our entire school community.

I would like to extend my heartfelt gratitude to our dedicated staff, whose unwavering commitment and passion have been instrumental in reaching this milestone. Your tireless efforts, innovative teaching methods, and the nurturing environment you provide for our students have truly set us apart.

To our parents and guardians, your support and trust in PEPS have been invaluable. Your engagement and belief in our mission have played a crucial role in our journey towards excellence. This achievement is as much yours as it is ours.

And to our students, you are the heart of PEPS. Your enthusiasm for learning, respect for diversity, and spirit of inquiry inspire us every day. This accreditation is a promise to you that we will continue to strive for the highest standards in education, ensuring that your time at PEPS prepares you not just academically, but also as global citizens of character and integrity.

As we celebrate this achievement, let us also look forward with excitement to the opportunities and challenges that lie ahead. Together, as a community, we will continue to build on this success, ensuring that PEPS not only remains a beacon of excellence in education but also a place where students can thrive and achieve their fullest potential.

Once again, thank you to each and every one of you for being an integral part of this journey.

Warm regards,

Marwa Diaa

Principal

Providence English Private School (PEPS)
