

## **PEPS School Becomes Accredited Centre for Edexcel Board Exams, Recognized as Pearson International School**

**2/09/2024**

We are thrilled to announce that PEPS School has officially been accredited as a centre for **Edexcel Board Exams** and is now recognized as a **Pearson International School**. This prestigious accreditation is a significant milestone in our school's journey, further enhancing the educational opportunities available to our students.

This achievement would not have been possible without the invaluable support of our esteemed partners, the British Council. Their collaboration and dedication have been instrumental in helping us reach this level of excellence.

Recently, we had the honour of welcoming on behalf of Pearson Edexcel, Senior Regional Manager Mr Adam Jama, along with a distinguished team from the British Council, led by Director Exams Mr Simon Green and his team, Zoheb, Nebyu, Sayira and Mahwish. During their visit, the team met with PEPS' Senior Leadership led by School Principal Dr Marwa Daa to discuss the exciting developments and future collaborations. In a special ceremony, Dr. Marwa Daa received the official accreditation plaque from Pearson, marking this momentous occasion.

This new addition to our school's offerings is especially beneficial for our high school students, as it provides them with the option to choose between different examinations boards, tailoring their academic paths to better suit their individual needs and aspirations.

For more details about Pearson Edexcel and the opportunities it presents, please visit [www.pearson.com](http://www.pearson.com)

We look forward to the continued success and growth of our students under this new accreditation, and we extend our heartfelt thanks to everyone involved in making this achievement possible.
