

# Behaviour Policy

## Behaviour Management Policy

Al Kamal American International School AL Ramtha recognizes the importance of positive behaviour in our school. This policy clearly outlines the codes of conduct to be followed in the school keeping in mind that increasing positive behaviour in school face to face or distance learning online class (at home ) leads to a safe learning environment for students, staff, parents and visitors.

## Behaviour Philosophy

Al Kamal American International School AL Ramtha encourages the students to instill in them values like respect, sharing, collaboration , display , caring for others etc. and supports all students to realise their potential. Positive behaviour is seen as an essential element of promoting academic excellence. We ensure that the all students and staff have the right to learn and teach in a safe for all kind and method of learning , friendly, peaceful and positive and fair classroom environment. The school community also ensure that the rich culture and tradition of the country is being followed and respected. Our community places self-discipline and a real sense of justice to provide opportunities where each individual can develop his part in safety. Appropriate high self-esteem promotes good behaviour, effective learning and positive relationships. This policy aims to promote positive approaches to behaviour, and linked with the rewards, ensures that our students understand and demonstrate appropriate behaviour and respect for others. The best results in terms of promoting positive behaviour arise from emphasizing potential, rewarding success and giving praise for effort and achievement.

Through the example which adults who care for them in school and through well-developed planned and stimulating learning opportunities, we believe that children can accept learning challenges and develop self-

## BEHAVIOUR AND ANTI BULLYING POLICY

### Introduction:

At Al kamal American International School Al Ramtha we want to make sure that our children are happy as we all know that children learn best in a happy, secure and friendly environment. We strongly believe that every child and adult in the school has the **RIGHT** to be in a safe environment and that every child and adult has the **RESPONSIBILITY** to be in control of his or her own behaviour.

This policy has been shared with staff, children and parents and is reviewed at least once a year.

The Benefits of Good Behaviour: At AKAPS Al Ramtha we believe that when staff, students and parents value good social behaviour : Children will:

- Learn what good behaviour means;
- Learn to care for one another;
- Learn the value of friendship;
- Develop self confidence;
- Reach their true potential in academic studies.
- Develop, learn and use effectively a range of social skills that relate to maintaining good behaviour. Teachers are able to:

Vision: “To build lifelong learners who can demonstrate 21st century skills for a productive global citizenship”.

- 
- Teach effectively;
  - Meet the needs of individual students ;
  - Work in partnership with parents for the benefit of the children; Parents will:
  - Feel confident that their children are growing personally, socially and academically;
  - Know that their children receive support when they need it;
  - Feel welcome any time to discuss their children’s progress in a positive atmosphere. We strive to work in partnership with parents to encourage all our students to grow and develop personally and socially as well as academically.
