CIRCULAR

Dear Parents,

Sub: CBSE Science Challenge 2023-24 (For Gr. 8 to Gr.10 students)

As per the **Circular No. Acad-41/2023**, dated **3rd April, 2023** from CBSE, an initiative to generate curiosity, enquiry and higher order thinking amongst the learners, the Board is organizing the **CBSE Science Challenge for students of classes 8th to 10th**.

This challenge shall be available on CBSE website in the months of **April - May, 2023**. The theme of the CBSE Science Challenge is **Science, Environment and Sustainability**. The purpose of the competition is students should learn to think, solve problems and make informed decisions

Details of the CBSE Science Challenge:

1. The challenge would be conducted through **two rounds** – within school, and inter school. There is **no fee** for participating students at either of the two stages of this enrichment activity.
2. All students of classes 8 to 10 in school are eligible to participate in Round One (first stage). **School has registered for all the students for this round.**
3. For Round Two (second stage), 6 students (best 02 students from each participating class) will be selected.
4. The Science challenge paper would comprise a variety of stimulants followed by MCQs. The task for participating students would focus both on speed and accuracy.
5. All the participants of Round Two would be issued an online participation certificate by the Board. Appreciation Certificate would be given to best performing students.

Round 1 will be conducted on **19-04-2023** during the school hours in school premise.

Round 2 will be conducted in the month of May, 2023 as per the CBSE Circular.

Thank you very much for your support and cooperation.

With regards

Sd/-

Rafia Zafar Ali

Principal
