Dear Parents,

**Sub.: Mandatory submission of Health Form (EHS)**

Please be informed that as per the **National Health Screening** requirements of MOHAP, we kindly request your cooperation in completing and submitting the necessary health documentation for your child.

All **new and existing parents** are required to fill out the new **EHS Health Form** ([CLICK HERE](#)) and submit it along with an **updated copy of your child's vaccination card**. Both documents must be submitted in **hard copy format only** to the class teacher by **7<sup>th</sup> May 2026**.

Furthermore, if your child has any medical condition, please provide the relevant medical documents (e.g., doctor's report, prescriptions, treatment plan, etc.) to ensure proper care and support.

We truly appreciate your support in helping us provide a safe and healthy school environment for all students.

In case of any queries, kindly contact the school clinic (**extn. no.107**).
