Dear Parents,

Sub : Language option for the year 2024-25

Greetings from LPS family !

The National Education Policy 2020 (Govt. of India) emphasizes the significant cognitive advantages of multilingualism for young learners, particularly when they are exposed to multiple languages from foundational stage, with a specific focus on their mother tongue.

In view of the above, we will be implementing Indian languages (Hindi/French/Malayalam/Urdu/Tamil) for students of Indian nationalities, and French/Urdu for other nationalities. Kindly choose your ward's language option for the year 2024-25 from the list of languages given. The information to be submitted through the link given below by 07.03.2024.
