Dear Parents,

Subject: Arab Reading Challenge

The Arab Reading Challenge (ARC) is the largest-ever Arab literacy initiative. Launched by UAE Vice President, Prime Minister, and Ruler of Dubai, His Highness Sheikh Mohammed bin Rashid Al Maktoum, to encourage students to read.

The challenge is an Arabic reading competition with participating students from Years 1 to 12 from schools across the Arab world. The competition starts every year until the end of April. Students work through the competition, reading 25 books (for Non-Arabs) and summarizing their content in the challenge passports. Upon completion of the reading and summarizing, the final stage of elimination commences according to set criteria. The eliminations are done amongst schools, Education Zones and Arab countries, until the finals which are held annually in Dubai in October.
