Dear Parents,

**SUB: SUMMER INNOVATION CAMP**

We would like to inform you that the Sharjah Research Technology and Innovation Park will be launching a summer innovation camp focused on the theme of "Sustainability." This camp, organized in accordance with the guidelines set by the Sharjah Private Education Authority (SPEA), aims to nurture the talents of students and provide them with an opportunity to learn innovative skills that will be valuable in the future. The camp will span a duration of 7 weeks, starting from July 9th, 2023, and is open to students between the ages of 11 and 17.

In addition, we would like to invite you to an open-day event that will serve as an introduction to the program. The open day will take place on Wednesday, July 5th, 2023, from 6:00 pm to 8:00 pm. This will be an excellent opportunity for you to learn more about the camp, its objectives, and how it will benefit your child.

If you are interested in registering your child for the summer innovation camp, we kindly request you to use the following link: <https://form.jotform.com/SOILAB/SOILABOPENDAY>

We look forward to your participation in this exciting summer program.

With regards,
