Dear Parents,

Sub: **SPEA Survey for parents on Studying the Demand and Absorptive Capacity of the Education Sector in the Emirate of Sharjah.**

Sharjah Private Education Authority (SPEA) is in the process of conducting a study concerning the demand and absorptive capacity of the education sector in the Emirate of Sharjah, which is one of the most pivotal projects of SPEA on which various numbers of immense strategic projects focus on.

The study aims to collect and analyze available data and information from SPEA and other strategic partners from government, semi-governmental and private entities, including information concerning the identification of new areas of community development, increasing the number of housing units, occupancy, and capacity of housing and educational institutions.

The questionnaire focuses on collecting the preferences and views of parents concerning the education system in the Emirates of Sharjah.

We request the cooperation of all parents by completing the questionnaire before the closing date, i.e. **21st June 2022**. The link for the same is given below.
