Circular (KG to Gr. 12)

Dear Parent,

Subject: Used Books Recycling Campaign

To create an awareness on Waste Management in connection with the **Year of Sustainability**, we are launching a drive to collect used books, newspapers and other paper materials. Students are encouraged to be a part of this initiative, which aims to inculcate a caring attitude towards the environment.

It will be highly appreciated if your ward brings old books, newspapers, magazines etc., in neatly packed covers, to the designated collection points. Please note that the campaign will be from 21st March to 18th April 2024.

Looking forward to your valuable support.

With regards,
