20.05.2024

Circular (KG to Gr. 12)

Dear Parent,

Subject: Plastic collection drive

In conjunction with the *Year of Sustainability*, Leaders is proud to launch a plastic collection drive. Let's join us in achieving our goal of a humble 175kg of recycled plastic items which will be recycled in collaboration with the Emirates Environmental Group's (EEG) - '**Purging Pesteering Plastic**' initiative.

We invite all students and parents alike to engage in this endeavour by contributing used plastic items such as, plastic bags, bottles, plastic cups, milk containers, shampoo bottles etc., in a neatly packed cover to the designated collection points in the school. Please note that the campaign will run from **20th May till 4th June 2024**.

Looking forward to your valuable support.

With regards,

Sd/-
