

Leaders Private School, Sharjah

Sunshine & Smiley Days

APRIL TO JUNE - 2023

EDITORIAL

The school is an incarnation of self-respect, love, affection, sensibility; responsibility and compassion which puts the students into a “State of flow” and makes them genuinely want to learn. Our school attains its eminence in the first place through the achievement of children.

With every passing year we are growing stronger in our endeavor to provide a strong academic foundation with an abundance of opportunities for your child to grow and shine as a unique individual.

The newsletter espouses the School spirit which is built up within the school through the collective actions, thoughts and aspirations. Helen Keller rightly says that “The world is moved along not only by the mighty shoves of its heroes, but also by the aggregate of the tiny pushes of each honest worker.” and we are indeed proving it.

“Education is one thing no one can take away from you”.

-Elin Nordegren

A banner for Earth Day featuring the words "EARTH DAY" in large, bold, black letters. The letters are set against a background of a green and blue globe, a city skyline, a rainbow, and a sailboat on a body of water. The banner is framed by a red border.

EARTH DAY

22nd April, 2023

Earth Day 2023 was observed duly on 22nd April worldwide.

Every year, more than one billion people across the world mark the Earth Day and celebrate by showing support for environmental protection. Earth day aims to encourage people across the world to be more environment friendly. We need to empower everyone with the knowledge to inspire action in defiance of environmental protection.

Grade 1 – 4 students were perform following activity to mark a day memorable.

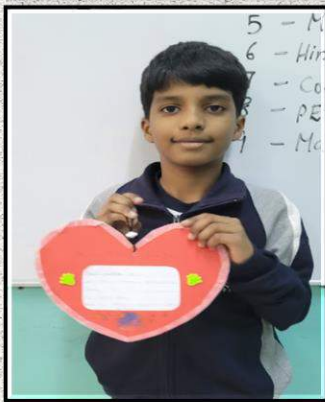

- Grade 1&2 – Pledge to Mother Earth
- Grade 3&4 – Craft with Trash (Wall Hanging)

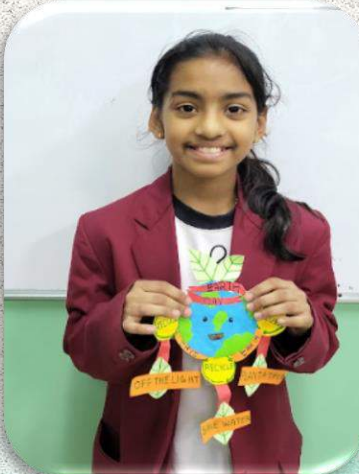

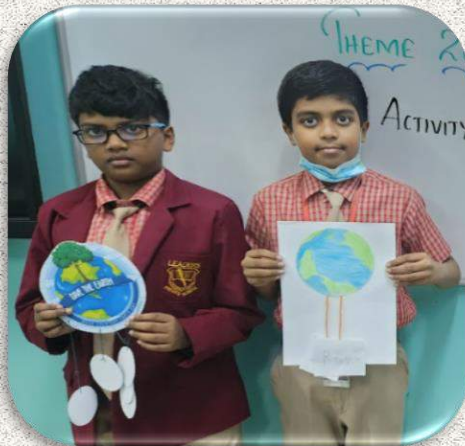

Children made beautiful wall hangings which were so charming.

The materials which were required for this activity were the paper, bottle caps, glue, thread and colour pencils.

Clasping our hands with the task, Leaders conducted manifold activities on the occasion. All the activities were intended to bring out the best out of the students, their critical thinking, inquisitive scientific skills and environmental sensitiveness.

Labour Day is celebrated annually across the globe commemorating the achievements of the workers. For many countries, Labour Day is synonymous with, or linked with International Workers Day which occurs on 1st May every year.

Leaders Private School celebrated the day in a solemn and subtle way in order to make the children understand the real value of the unsung heroes, the labourers, and their endless and tedious efforts which enables the rest of the world a cozy life. To a large extent we focused on ingraining compassion and empathy in young minds and ferment the young 'Leaders' to respect people irrespective of their profession and the colour of their collar.

As part of our May Day celebration, students contributed distinct food items, Clothes and utensils. Meticulous and stringent measures were taken in order to ascertain the wholehearted and sincere contributions of students reach the most deserving hands.

This particular day and the way it was celebrated was an unprecedented experience to most of the students. As a result children were enriched about the struggles and sacrifices of the workers, and enlightened about the history of the day. The students also made a thank you card for to show their gesture expressing personal gratitude for kindness.

Mother's Day

12th May, 2023

Mother's Day is celebrated annually as a tribute to all mothers and motherhood. It is celebrated on various dates in many parts of the world. It is a celebration of bond of love and affection between a mother and a child and it celebrates the spirit of motherhood. Mother's day was celebrated honoring mothers and motherhood, maternal bonds and influence of mothers in society to generate this special feeling in our students and give them chance to exhibit their love towards mothers, LPS celebrated Mother's Day on 12th May 2023.

On the occasion of Mother's Day students of Gr.1 and 2 children prepare a mug card to gift their mother and grade 3 and 4 children made beautiful bookmarks on the topic Mother's love. They penned down few lines to praise their mothers. They were reminded of their mother's contribution in their lives. They were very happy to get an opportunity to express their love and admiration for their mother on the special day through the activity.

WORLD ENVIRONMENT DAY

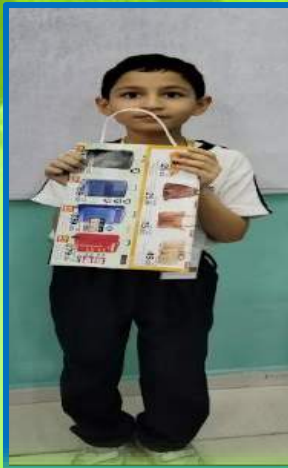

Our environment is one of the most important aspects to survive on this planet. Moreover, it is the only thing that can make life sustainable. Without it, we cannot survive even a single day. For instance, our skin will burn, the lungs will get ruptured, our blood pressure would rise. World Environment day is celebrated on 5th June every year. The main purpose of celebrating this day was to spread awareness. The awareness was about the conservation of our environment.

Moreover to also take various preventive measures to avert the effects of Global warming. Since we all know that Global warming is the root cause of the ruin of our environment. Therefore it is our duty to protect our environment. And stop all the exploitation that is destroying it. Because in the end, it is our basic need for our survival and our generations ahead.

Grade 1 – 4 students of LPS also celebrated Environment day on 5th June 2023 by making best out of waste things using their own creativity ,the power of embracing the environment.

14th June, 2023

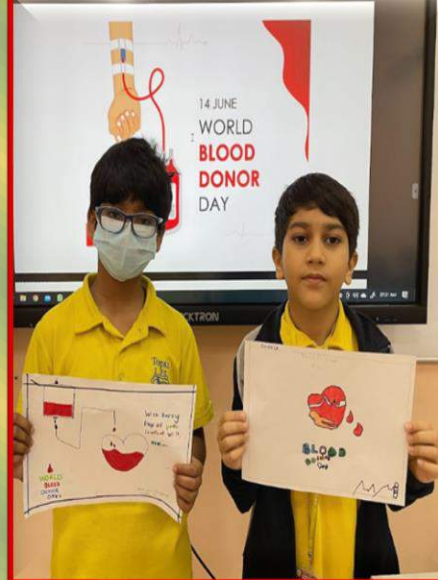

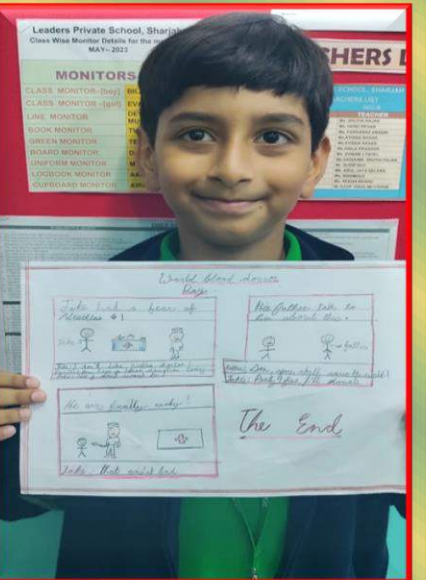

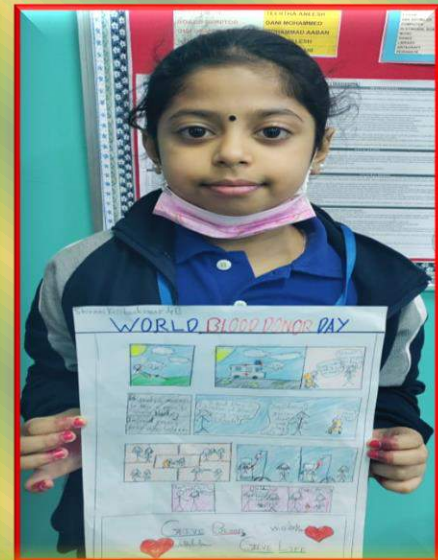

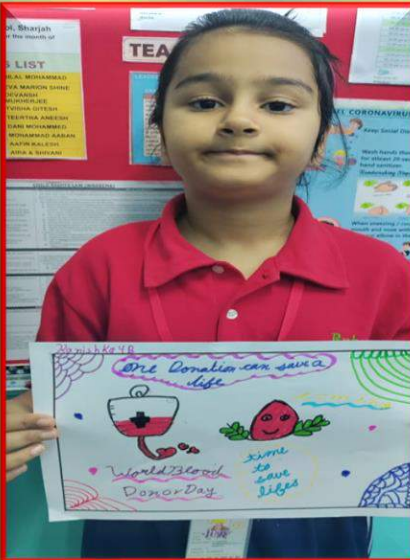

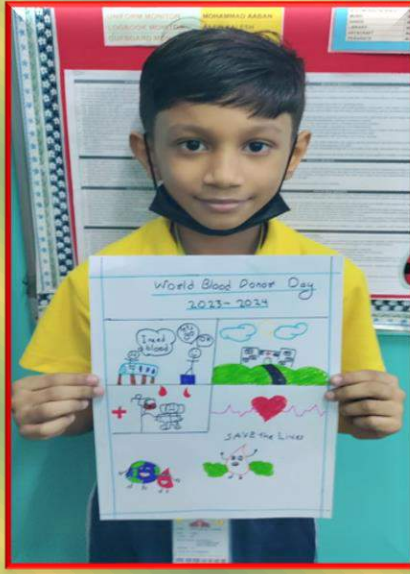

World Blood Donor Day is celebrated on 14 June every year. It is being distinguished to raise awareness about saving lives by blood donations. Each year millions of people all over the world decide to donate blood and plasma; this is the reason why it has been called the World Blood Donor Day.

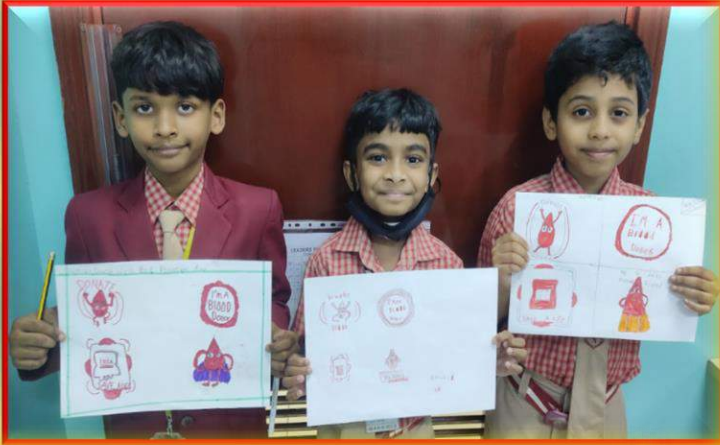

On this special occasion students were shown the power point presentation on the awareness of World Blood Donor Day. Through this they were able to understand the constituents in blood, the process of donating the blood and different blood groups.

After this power point presentation, students of grade 1 to 4 perform different activities as listed below.

- Grade 1 & 2 - Let's stand together and be thankful: Badge making
- Grade 3 & 4 - Unleash your inner artist: Comic making

This activity helped them in motivating their creativity and to get awareness about this particular day.

Annual Day

17th June, 2023

On 17 June 2023, Leaders Private School proudly hosted its annual function, celebrating the achievements and talents of the students from grades 2, 3, and 4. The event aimed to showcase the diverse themes of each grade, providing a platform for students to demonstrate their skills and knowledge. We were honored to have esteemed guests Dr. Maneesha, Dr. Vrishali Rohankar, and Dr. Raed Abdalla in attendance, who added to the grandeur of the event.

Grade 2 - Ethical Odyssey: Navigating the Depth of Moral Values: The theme for Grade 2 was "Ethical Odyssey - Navigating the Depth of Moral Values." The young students embarked on a journey to explore various ethical values and understand their significance in their lives. The performances included thought-provoking skits, recitations, and storytelling, all of which highlighted the importance of honesty, kindness, respect, and empathy. The students' enthusiasm and dedication were commendable, as they effectively communicated these moral values through their presentations.

Grade 3 - Global Carnival Extravaganza: The Grade 3 students brought the world together through their theme, "Global Carnival Extravaganza." The students showcased the vibrant cultures and traditions of different countries, promoting diversity and unity. Through dance performances, music, and colorful costumes, the students transported the audience to various corners of the world. It was heartwarming to witness the students' efforts in embracing different cultures and fostering global awareness among their peers.

Grade 4 - Beaming Builds: Sparkling and Dazzling Future Together: The theme for Grade 4 was "Beaming Builds - Sparkling and Dazzling Future Together." The students demonstrated their creativity and innovation by showcasing futuristic ideas and inventions. Their projects encompassed robotics, sustainable energy solutions, and technological advancements. The students' ability to envision a brighter future was evident in their presentations, and they inspired everyone with their passion for making the world a better place.

Guests of Honor: We were honored to have three distinguished guests in our midst, each with their own expertise and accomplishments. Dr. Maneesha, an Associate Professor from the Department of General Science at BITS Pilani, shared her insights into scientific research and the importance of ethics in the field. Dr. Vrishali Rohankar, the Medical Director at Aster on Health Care, enlightened the audience on the significance of healthcare and well-being. Dr. Raed Abdalla, the Principal of Taryam American Private School, Sharjah, inspired everyone with his words of wisdom and encouragement.

Conclusion:

The annual function at Leaders Private School was a resounding success, showcasing the talents and hard work of the students from grades 2, 3, and 4. The themes of ethical values, global unity, and futuristic innovation were beautifully portrayed by the students, leaving a lasting impression on the audience. We extend our heartfelt gratitude to our esteemed guests, Dr. Maneesha, Dr. Vrishali Rohankar, and Dr. Raed Abdalla, for gracing us with their presence and making the event even more special. We are immensely proud of our students and look forward to their continued growth and success in the years to come.

Educational trip

Al noor Island – Gr. 1&2

5st to 8th June, 2023

Memories of school educational trips are among the most prominent of the formative years, largely because they are a welcome break in the routine for both students and teachers. While their purpose is essentially to educate, they can also be a fun bonding experience for everyone involved.

So an educational trip was arranged by LPS for Grade 1 and 2 students to Al Noor Island, Sharjah between 5/6/2023 to 8/6/2023. Students enjoyed a lot in the butterfly garden, they learnt about the life cycle of the Butterfly. They had a green walk, trampoline jump, maze and enjoyed in the play area at last.

Through this trip they not only enjoyed but also discovered new things about the nature and made new friends. The trip ended with lot of laughter and memories.

Educational trip

Sharjah Museum of Islamic Civilization

- Gr. 3&4

19th June, 2023

Education Tours are very important for the overall development of a student. It gives them an opportunity to learn from their own experiences and from the experience of others. Educational trips are educational experiences that allow students to apply their lessons to the real world. These trips tend to be the most memorable moments of a student's career. The importance of Educational trips includes giving students the chance to build closer bonds with their classmates, experience new environments and enjoy a day away from the classroom.

Educational trip to the Sharjah Museum of Islamic Civilization was organized on June 19th 2023. Students got the opportunity to observe many things that include calligraphy, carvings, ceramics, coins, glass, manuscripts, metalwork, and scientific instruments which were used in the Islamic Civilization. They were very enthusiastic to get to know about the facts of the Islamic Civilization.

INTERNATIONAL YOGA DAY

21st June, 2023

Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world, and the nature. By changing our lifestyle and creating consciousness, it can help in well-being. Let us work towards adopting an International Yoga Day.

Yoga is a group of physical, mental, and spiritual practices or disciplines which originated in ancient India. International Day of Yoga, or commonly referred to as Yoga Day, is celebrated annually on 21 June since its inception in 2015. The idea of an International Day of Yoga was first proposed by the Prime Minister of India, Mr. Narendra Modi during his speech at the UNGA, on 27 September 2014. Many studies have tried to determine the effectiveness of yoga as a complementary intervention for cancer, schizophrenia, asthma, and heart disease.

Students of all grade demonstrated various asanas followed by fun filled activities related to yoga as mentioned below.

- Grade 1 & 2 – Pose & Tell
- Grade 3 & 4 – Yogi Says

Students were explained the importance of Yoga in life.
