*\*Grade 3 (CAT4 Level A), Grade 5 (CAT4 Level C)  
 Grade 7 (CAT4 Level E), Grade 9 (CAT4 Level F)*

As per the norms of the standardized test, remote testing is not allowed. This is to maintain the integrity of the assessment data as remote testing does not provide secure and stable testing environment like in school.

**General Instructions:**

- Question pattern is of multiple –choice and prior to each Level, there will be practice session.
- The Assessment consists of three parts. Students should work through Part-1 to Part-3 in order.
- Students must complete all tests and parts; if they exit the test midway through one part of the test, their data will be lost. Each test is timed and students will not be able to move to the next until the time is up.
- No extra time or attempt will be provided if a student fails to appear for the assessment on specified date and time.
- Students are preferred to bring their own devices during the scheduled day to attend the test.
- Assessment will be conducted during the school hours as per the above schedule.
- **If during the scheduled day of Assessment any school examination is there, assessment will be conducted after the examination. Students will leave the school at 02:00 pm only.**
- Students are required to wear mask and gloves and keep proper social distancing at all times inside school.

**For Parents & Students who are attending the Assessment Online:**

- On the day of Test, respective grades will be having regular classes only during the first two periods as per their timetable.
- Students shall join the respective class teachers' Meeting ID.
- The student can access the Assessment by clicking on the link [www.testingforschools.com/code](http://www.testingforschools.com/code) and entering their 8-Character access code.
- Access code will be provided to the students on the Scheduled Date through their School Login (Content Management → Circulars and Important Information) or through the Email ID which is provided in the consent form.
- The link will be active only during the scheduled time as mentioned above.
