Circular

Dear Parent,

Subject: Can Collection Drive

To create an awareness on Waste Management in connection with the **Year of Sustainability**, the students of KG-1 to Grade 12 are encouraged to bring plastic bottles (3L to 5L) and small aluminum cans.

The objective of this collection is to inculcate a caring and considerate attitude towards the environment.

To ensure that your ward is a part of this collection drive, it will be highly appreciated if he/she brings at least two plastic bottles or aluminum cans. Please note that the dates for collection will be from 14th to 30th November 2023.

We look forward to your whole-hearted cooperation.

With regards,

Sd/-
