Dear Parent,

**Sub: CAT- 4 Assessment for Gr. 3, 5, 7 & 9**

Please be informed that Sharjah Private Education Authority (SPEA) has made **CAT-4** (Cognitive Ability Test) as a mandatory test for all students of Grades 3, 5, 7 & 9.

**CAT-4 consist of :**

- Verbal Reasoning -Thinking with “words”
- Quantitative Reasoning- Thinking with “numbers”
- Non-Verbal Reasoning-Thinking with “shapes”
- Spatial Reasoning-Thinking with “shapes and space”

CAT4 is often used for creating a baseline as students enter the secondary years and the indicators support planning and target setting for individuals and to provide a sound foundation for continual assessment. It does not require any deep study on any specific subject.

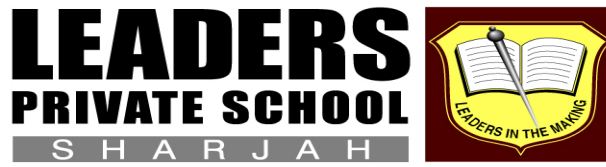

After the test, every student will receive a personalized online comprehensive review of his/her performance, along with detailed insights on his/her strengths and areas that need improvement, and will also get benchmarked with his/her/ peers across the country and internationally.

The CAT-4 online assessment for **Grade 3, 5, 7 & 9** will be conducted at school in October 2024 during regular school hours. The schedule of the examination will be communicated later.

Kindly ensure your child’s participation in this important assessment.
