PARIKSHA PE CHARCHA -2026

Dear Parents & Students

Greetings!

We are pleased to announce that the 9th edition of Pariksha Pe Charcha 2026, the annual interactive programme of the Honorable Prime Minister with students, teachers, and parents, will be held in January 2026. This initiative is designed to help students manage exam-related stress, develop a positive approach to learning, and interact directly with the Prime Minister on matters related to exams and well-being. Over the years, PPC has become one of India's largest educational outreach programmes, with millions of participants sharing their thoughts and experiences.

To take part in this special programme, an online MCQ-based competition is being conducted on the MyGov Innovate portal (<https://innovateindia1.mygov.in>) from 1st December 2025 to 11th January 2026. The students of Grades 6 to 12, their parents, and teachers are all eligible to participate. Participants can also submit questions they would like the Prime Minister to answer during the live session. All participants will receive a Participation Certificate from MyGov.

We encourage all students, parents, and teachers to register and take part before 11th January 2026. The process is simple and free. You have to just visit the portal, complete the MCQ activity for your category, and submit your entries. This is a wonderful opportunity to express your thoughts, gain motivation, and be part of a landmark national event promoting positive learning and exam confidence.

Best Regards

SCHOOL ADMIN
