20th December 2025

CIRCULAR No.52
BOARD EXAM PREPARATION:
STUDY HOLIDAYS & ACADEMIC SUPPORT

Dear Parents and students

In preparation for the forthcoming **Board Examinations for Grades 10 and 12**, the school has sought **approval from ADEK** to grant a **study holiday from 2 February 2026 to 16 February 2026** for all Grade 10 and Grade 12 students. We expect to receive the approval shortly.

To ensure continued academic support and effective preparation during this period, the following arrangements will be in place:

- **Online Learning Resources:** Students will have access to revision materials and recorded lessons through **Google Classroom** for self-paced learning.
- **Online Doubt-Clearing Sessions:** Scheduled sessions will be conducted by subject teachers to address queries and reinforce key concepts.
- **On-Campus Academic Support:** Students who wish to visit the school during the study holiday may do so. Teachers will be available to provide **individual guidance and academic assistance**.
- **Structured Study Plan:** A recommended daily study timetable will be shared to help students plan their revision systematically and cover all essential subjects.

We encourage students to utilize this time effectively to revise thoroughly, clarify doubts, and build confidence as you prepare for your Board Examinations.

Best Regards,

ANZAR ABDUL SALAM
