GRADING TEST FOR KARATE PRACTISING STUDENTS

Dear Parents

Greetings !

The school has been conducting Karate practice classes for interested students through an external agency, Dragon Karate Club, over the past few months. As part of the structured training programme, it is now time to assess the skills acquired by the students and categorize them for the award of respective karate belts. This grading is an important step in evaluating the students' progress, skills, and discipline, and it allows them to move to the next belt level.

Accordingly, Dragon Karate Club will be conducting a Karate Grading Test for students who have been undergoing karate training at the school. Following are the details regarding the test:

- Grading Fee including VAT: AED 210 for Yellow Belt (Current White Belt)
- Grading Fee including VAT: AED 230 for Orange Belt (Current Yellow Belt)
- Grading Fee including VAT: AED 250 for Brown Belt
- **Last date to Register by paying the fee: 19 January 2026 @ 2:00pm**
- Date of Grading Test: will be notified shortly
- All students will be awarded with a new belt and certificate on successful completion of the test.

Kindly ensure that the grading fee is paid on or before the grading date so that your child can participate in the test.

Parents are kindly informed that the grading test and fee collection will be managed solely by the training agency through the school. The school's role is limited to facilitating communication and venue support.

If you have any questions or need further details regarding the grading, please feel free to contact the training agency/instructor

Thank you for your continued support and cooperation.

Best Regards
