CIRCULAR No. 36

IMPORTANCE OF REGULAR ATTENDANCE AND AVOIDING UNNECESSARY ABSENCES.

Dear Parents,

Greetings!

This is to remind you of the importance of maintaining your child's regular attendance at school. As per school and ADEK guidelines, regular attendance is essential for consistent learning, social development, and overall academic success.

Recently, it has been observed that some students are frequently absent without valid reasons, such as remaining at home because a sibling has a holiday, parents are off work, or it is a shortened school day on Friday. Such reasons do not justify absence under ADEK's attendance policy.

Please note that repeated or prolonged absences can adversely affect your child's learning progress and overall performance. Continued absenteeism may lead to serious consequences, including possible retention in the same grade, as per ADEK's attendance and promotion regulations.

Hence, we advise all parents to ensure that students attend school every day unless there is a genuine and unavoidable reason such as illness, supported by a medical certificate.

Your cooperation in reinforcing the importance of regular attendance at home will help us in ensuring your child's academic growth and success.

Thank you for your understanding and continued support.

Best Regards

ANZAR ABDUL SALAM
PRINCIPAL
