Investigating School Attendance Among Young Children in Abu Dhabi

Dr. Qilong Zhang & Dr. Ghadah Al Murshidi

We are conducting a parent survey to understand better the factors that support or hinder school attendance among young children in Abu Dhabi.

Your insights, as a parent of a child aged 5 to 8 attending a nursery or school in Abu Dhabi, are vital to the success of this research. Your feedback will help shape strategies to improve education across the Emirate.

This research is sponsored by the Abu Dhabi Early Childhood Authority and conducted by the UAE University. The survey is anonymous and takes only **5-10** minutes to complete.
