ORIENTATION SESSION FOR PARENTS OF NEWLY ENROLLED STUDENTS

Dear Parents
Greetings !

We are delighted to welcome you and your child to the AIS Kindergarten. As part of our commitment to ensuring a smooth and successful transition, we are pleased to invite you to an **Orientation Session** specifically organized for parents of newly enrolled students.

Date: 12/04/2025

Time: 10:00 am -10:45 am (Online)

This session will provide you with valuable information about our school's values, academic programs, co-curricular activities, student support services, and general expectations. You will also have the opportunity to know the class teachers of different sections.

We believe that a strong partnership between home and school is vital to your child's success, and this orientation is an important first step in building that connection.

The online link will be shared **10 minutes** before the session begins, through the Email that you have registered with us.

We look forward to meeting you and working together in support of your child's learning journey.

Best Regards
